Carlton
Japanese spinach, komatsuna, dark green, neutral flavor with slight sweet and mustard notes.

Available:
May – July, September – October

Carrot - Sugarsnax
Very long, slender and coreless; a true cut-and-peel variety for baby carrots.

Available:
June – October

Carrots – Deep Purple
Dark purple roots. 7-8" tapered roots with sweet flavor.

Available:
June – October

Charcoal - Lump
Pure charcoal. No chemicals, accelerants, binders, or fillers.

Available:
All Year

Chard – Bright Lights
A crisp, delicate, celery-like flavor, used like spinach. Imparts a beet-like flavor.

Available:
July – October

Cilantro
Pungent, complex citrusy flavor with licorice notes.

Available:
May – July, September – October

Dandelion
For salad mix or bunching. Roots are roasted for coffee substitute.

Available:
June – October

Dill
Deliciously fresh, citrus-like taste, with a slightly grassy undertone.

Available:
July – September

Fennel - Zefo Fino
Crisp bulb, with a strong licorice flavor.

Available:
August – October

Gladiolus-Polar White
Pure white, lightly ruffled. Majestic. Most elegant of cut flowers.

Available:
July – September

Plant Juice
A bitter blend of greens, cold pressed. High in phytonutrients, digestive tonic and energy drink.

Available:
June – October

Hardwood Slabs – Oak & Hickory
10' length. Great look and color. Great for natural tables or benches.

Available:
All Year

Honey
Crude filtered, unpasteurized, cold spun and free from all agricultural chemicals.
