

FRESH FROM THE FIELD

2022

Activated Charcoal
100 percent pure steam activated red oak charcoal.

Available:
All Year

Arugula - Rokita
Flavor is mild, spicy and nutty, suitable for salad mix.

Available:
May – June, September – October

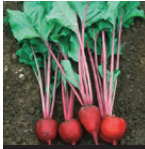

Basil - Genovese
Classic Italian variety. Authentic flavor for salads, pesto, & sauce.

Available:
June – August

Basil – Thai Siam Queen
Distinctive and pungent that adds tremendous flavor.

Available:
July – October

Beet - Red Ace
Edible greens. Bright, glossy green, red-veined tops and red roots.

Available:
June – October

Beet - Touchstone Gold
Striking golden fleshed beet.

Available:
June – October

Bekana - Tokyo
A Chinese cabbage from Japan. Crisp with a mild, sweet, spinach flavor & mild pepper notes.

Available:
June – October

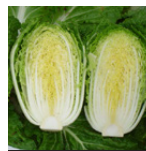

Biochar – Red Oak
Primo soil amendment. Highly valued as a carbon sequestration agent.

Available:
All Year

Cabbage – Savoy
A mild earthy flavor with crunch that can be eaten raw.

Available:
June – October

Cabbage – Yuki Napa
Chinese cabbage. Texture of lettuce with the peppery tang of cabbage.

Available:
May – July, September – October

Carlton
Japanese spinach, komatsuna, dark green, neutral flavor with slight sweet and mustard notes.

Available:
May – July, September – October

Carrot - Sugarsnax
Very long, slender and coreless; a true cut-and-peel variety for baby carrots.

Available:
June – October

Carrots – Deep Purple
Dark purple roots. 7-8" tapered roots with sweet flavor.

Available:
June – October

Charcoal - Lump
Pure charcoal. No chemicals, accelerants, binders, or fillers.

Available:
All Year

Chard – Bright Lights
A crisp, delicate, celery-like flavor, used like spinach. Imparts a beet-like flavor.

Available:
July – October

Cilantro
Pungent, complex citrusy flavor with licorice notes.

Available:
May – July, September – October

Dandelion
For salad mix or bunching. Roots are roasted for coffee substitute.

Available:
June – October

Dill
Deliciously fresh, citrus-like taste, with a slightly grassy undertone.

Available:

Escarole - Batavian
Heavily ruffled, tightly packed leaves for a dense, heavy head. Milder flavor.

Available:
May – July, September – October

Eggplant - Clara
Unique, large white Italian type. Low acid. Mild flavor.

Available:
July – October

Firewood – Wild Cherry
Seasoned for one year. Best for its density and coaling qualities.

Available:
All Year

Garlic
Hardneck – earthy, pungent, spicy flavor, organosulfur compounds, mellows with cooking.

Available:

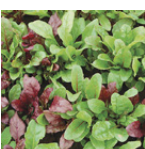

Gladiolus - Polar White
Pure white, lightly ruffled. Majestic. Most elegant of cut flowers.

Available:
July – September

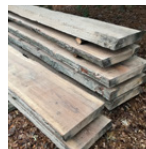

Plant Juice
A bitter blend of greens, cold pressed. High in phytonutrients, digestive tonic and energy drink.

Available:
June – October

Kale Mix - Kalebration
Harvested as babies, a blend of rich greens and reds.

Available:
June – October

Hardwood Planks – Oak & Hickory
10' length. Great look and color. Great for natural tables or benches.

Available:
All Year

Honey
Crude filtered, unpasteurized, cold spun and free from all agricultural chemicals.

Available:
June – December

Kale - White Russian
Dwarf curly kale with dark green leaves for baby leaf.

Available:
May – July, September – October
